Version	Status	Date	Approved by
1.0.1	DONE	20.05.2022	RAUL RITI

Introduction

The overall objective of the second sprint is to have a stable website version. The users can use the website to their needs without encountering any flaws. The resulted website version will be the foundation to further build upon.

The testing team's objective is to build the required Test Cases from the User Stories' Acceptance Criteria and execute them by documenting the results.

In Scope

User Story	Status	Short Description
